CORVAIR MINNESOTA NEWSLETTER

President's Page

May 2015

We just kicked off the start of another Corvair season Saturday with our annual Spring Breakfast get together. As the club has evolved and changed, so has the first official car meet of the season. As you know we used to call this the Pancake Breakfast but as times change and club members relocate and/or get tied up with other activities, CMI has to change and adapt as well.

This year we met at Gabe's by the Park in St. Paul and had a nice turn out. I didn't get a final count but I think we had around 14 people. Three Corvairs made the trip as well, Chuck Johnson and Tom Quinn's early convertibles were there as well as Cara and my '69 coupe. After breakfast we went to the Minnesota Transportation Museum for a tour of their enormous workshop and blacksmith shop. Huge thanks to Dan Quinn for making the arrangements with Gabe's and the MTM.

It was great to get the Corvair out of storage and on the road. In the short ten miles from Jordan to Chaska I received several thumbs up and approving smiles from people. Hopefully everyone has their Corvairs (or Corvettes) out of storage and on the road as well. I have always maintained cars are meant to be driven and enjoyed. In the latest issue of Hemming's Classic Car, Richard Lentinello echoes that same belief in his column. He maintains that, while we shouldn't abuse collector cars, we should get them out on the road and enjoy them.

The next club event is the Highway Clean up in Loretto. Cliff Picht is heading this event (thank you, Cliff) so contact him if you are able to participate. The date is Saturday, May 9th. There is a rain date

if the skies open up. Details are in the SEEL or contact Cliff at cap_minn@yahoo.com.

Our first Drive-in Meeting will be at Cuzzy's in Chaska on May 12th. We'll call it a drive-in meeting though Cuzzy's is actually an indoor only restaurant. You can't tell in May whether it will be 70 or 40 degrees in the evening. The rest of the summer is shaping up nicely though we still have an open date for our drive-in meeting in September (any ideas?). There was also some discussion on driving to Okoboji Museum in Northwest Iowa for an August or September run. If anyone is interested in taking the lead and planning this, please let me or another officer know and we'll get you the information. Remember, this is everyone's Corvair club and three or four people can't plan everything. Get those Corvairs on the road and have fun.

Stay Tuned,

Lee Knauf

CORVAIR MINNESOTA

April 14, 2015

The evening began with dinner at the Red Rooster in Wayzata. We were nearly 30 people strong and Caitlyn, a new waitress, did a commendable job of keeping us supplied with food and drink.

We adjourned to Dave Peterson's workshop, losing about half the dinner attendees. Gary Nelson held a short meeting as Lee had a work conflict. First, a welcome went to Jerome Johnson of Willmar.

Three highlights before the usual business:

Bob Dunahugh from ICE—Iowa Corvair Enthusiasts—attended on his return trip from somewhere and is considering displaying his GMC motor home and Yenko Stinger at GMCCA this year.

Jim Becker is visible in the episode of Dallas Car Sharks where his Greenbrier was purchased to flip.

Gayle Quinn sent us **home made** cream puffs, it was fortunate we were on concrete and not the carpet at the MUM!

March Minutes: Approved as written.

Treasurer's Report: We have \$2415 in our treasury currently, 58 paid members.

Recent Activities: None this month!

Upcoming Activities:

April 25: Spring Pancake Breakfast: We will meet at Gabe's in St Paul this year at 9:30, thanks to the efforts of Dan Quinn. We will adjourn to tour the Transportation Museum of MN. Start prepping your Corvairs!

April 25: Pontiac Car Club Show: Held at route 65 Classics is Ham Lake from 9 – 2.

April 30: Inventors' Congress: Minneapolis Convention Center

May 3: Buick Car Club Show. Minnesota State Fair Grounds.

May 9: Adopt a Highway Spring Clean-up. Meet at Dobo's Restaurant for breakfast, work a little bit, and meet back in Dobo's for dessert! Back up date is **May 16**.

May 12: May membership meeting at Cuzzy's in Chaska.

May 16: Adopt a Highway **Back-up Date**.

May 16: Willmar Car Show

June 8: GMCCA Car Show and Swap Meet: State Fair Grounds. CMI is responsible for our display area, the

car corral, and for its second year, hosting the "Saturn/Other GM" display to make entrants feel welcome and motivated to recruit more of their friends for the 2016 event.

ASSIGNMENT: Please have your kids, grandkids, etc. go to Facebook and "LIKE" the GMCCA site. Check out the extensive CMI coverage in the video of last year's show while there. Also check the new look of the CMI website.

June 9: Membership Meeting.

June 19 – 21: Back to the 50's: State Fair Grounds.

July 24-27: National CORSA Convention: Knoxville, TN, 743 miles from here and the home of Fast Women and Beautiful Horses. Only 3 months remain to complete your projects!

July 17: North St Paul Car Cruise "**CORVAIR NIGHT**", a **new event** for CMI. We will be the featured marque thanks to Tom & Dan Quinn! Details to follow.

Labor Day Weekend: Track time is available in Hastings, Nebraska for \$250—which is a bargain. Details to follow!

Work Session: Air Cleaner Clamps Production. My words cannot adequately describe this project where we got to hone our grinding and welding skills. Study the pictures and you will see everyone had a good time and have another enhancement for our vehicles.

Meeting adjourned at 9:35.

Respectfully submitted,

Chuck Johnson

2014 Corvairs

CORVAIR MINNESOTA IS INVITED!

UltraVan Motor Coach Club Eastern Summer Rally, June 2-6, Rochester, MN.

Come to Rochester. Camp in the woods (or not). Eat Hotdish. Touch a whale.

The rally will be held at Olmsted County's **Chester Woods Park** (chesterwoods@co.olmsted.mn.us), located in Southeastern MN on US 14 between Rochester and Eyota. Camping fee is \$30/night plus a one-time park entrance fee of \$5 for the duration of your stay. Facilities include level parking pads with electric service in an area shaded with mature hardwoods. A dump station is provided, as are hot showers. The park surrounds a lake nestled in a wooded valley. It has nice hiking trails, an attractive sand swimming beach, a boat dock and fishing docks. Outboard motors are not permitted (electric trolling motors are ok), making for a sane and peaceful water experience.

Activities (As always, the schedule is subject to change to accommodate weather)

Daily. Breakfast Coffee & goodies: (This may be expanded to full cooked breakfasts. Stay tuned.) **Swimming, boating & canoeing.** Attendees will have the use of boating equipment provided by the hosts. This includes several canoes & aluminum fishing boats plus allied equipment to include electric trolling motors.

Tuesday, June 2. Welcome Dinner: Olga and Gary Anderson will provide the evening meal. BYOB. (RSVP)

Wednesday, June 3. Brief **business meeting**, followed by **Technical Sessions:** Glenn Lemke (engineer, designer and UV renovator extraordinaire) will give a presentation on aspects of his stem-to-stern UV rebuild, with focus on his re-designed suspension. Club Tech Advisor and fount of knowledge, Jim Davis will be present to answer your questions on Ultravans (and Corvairs) and will give a presentation on the SafeGuard spark management system. David Keillor, owner/builder of an outstanding late model Corvair touring coupe, and Fran Schmidt, author of more tech tips than you can count, have also been invited to present. (Fran hasn't yet committed. He may be holding out for an honorarium. Good luck with that, Fran.) Also, a **Tech Session for spouses.** Details TBA. **Coach Hopping:** Open house. A chance to check out your neighbor's coach & show off your own. (If yours isn't to brag about, don't worry. Ours is worse.) **Canoe races?** Yes, if there's time before we leave for the **cruise-in car show** (free) on the lawn at the Eagles Club, 5pm – whenever. Tap beer, burgers, brats, etc. are available on the patio. Let's bring an Ultra Van and some Corvairs! Did I mention they have beer?

Thursday June 4. 10 am **tour of Mayo Clinic** followed by lunch at **Victoria's Italian Restaurant** and **Thursdays on First**, a weekly street festival and outdoor market of art, craft and food vendors and live entertainment in downtown Rochester. Live dance and performing arts featured from 11:30 AM to 12:30 PM. Music festival performances at 5:00 and 7:00 on two stages. Potluck dinner back at the campground. Bring your best Tater Tot hot dish or Lime Jell-O Surprise. Wear your tux (or not).

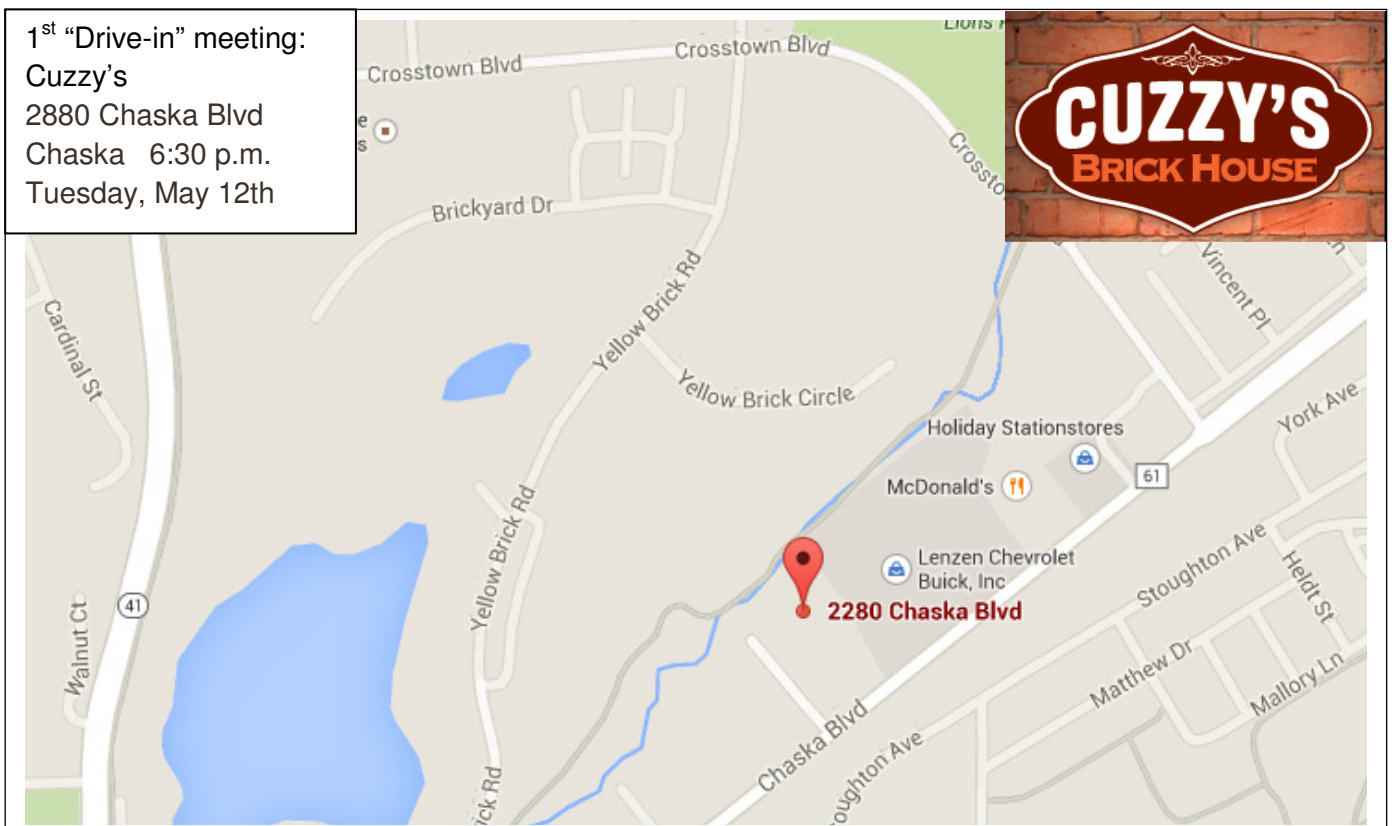

Friday, June 5. Friday, June 5. Tour scenic areas on and near the Mississippi River. Stops will be chosen from among the following: (1) **L.A.R.K. Toys** (one of the "Ten Best Toy Stores in the World," according to USA Today) for a ride on a hand-carved carousel, (2) the **National Eagle Center** in Wabasha for an interpretive program, (3) **Nelson Cheese Factory**, a mandatory **ice cream** stop for anyone crossing the bridge into Wisconsin, (4) **Elmer's Auto & Toy Museum** on Eagle Bluff, the highest point on the Mississippi River Valley. Elmer's collections are extensive and the view from the bluff top is incredible. Another alternative is (5) the **Minnesota Marine Art Museum**, a first-rate collection of maritime paintings and sculpture. **Chinese Take-Out Night** upon our return?

Saturday, June 6: D-Day. (D, as in Departure.) **Morning coffee & goodies.** (Probably expanded to include cooked breakfast.) Fond goodbyes, followed by "Gentlemen, start your engines."

Interested? Contact rally hosts Gary and Olga Anderson @ 507-289-2084 or ganderson8@juno.com for more information, including camping recommendations. **Coming?** We hope so! **Please RSVP.**

Upcoming CMI events:
