## Corvair Minnesota Newsletter

May 2020

### President's message:

A reminder the May meeting is cancelled. We are following the Governor's guidelines and will let you know what the recommendations will be for group meetings and when the MUM will once again allow meetings in their building.

With no meeting minutes or other important club information to relay, I decided to give Chris a break this month and not produce the May newsletter. We will plan on releasing a May/June issue the first of next month. If you have any interesting stories of what you have been doing with your car(s) during this 'shelter in place' period of time, drop Chris an email (with photos if possible) to: [corvairmleekyseel@hotmail.com](mailto:corvairmleekyseel@hotmail.com). Would be great if we could record some of this for club history.

Attached is an updated 2020 Calendar of Events page. Jack researched only through the month of June to verify if these shows will continue. He will do so again next month however, if you can share any information you may have on shows cancelled or continuing please let Jack & Chris know.

Stay tuned for updates....

*Tom Quinn*

President

## 2020 Calendar of Events

### From MCCA substitute flyer exchange

**\*\*PLEASE NOTE THESE DATES ARE SUBJECT TO CHANGE OR CANCELLATION\*\***

**We have researched car shows through June. Please email information you may have on the status of shows that have been cancelled and are not on the list. Likewise, if you are aware of shows that are not listed and should be, email to the Leeky Seel Editor: [corvairmnleekyseel@hotmail.com](mailto:corvairmnleekyseel@hotmail.com)**
